

CIPRIA COLLECTION

Cipria si contraddistingue per la morbidezza della sua superficie brillante. La pelle è stata prodotta con speciali lavorazioni e trattamenti che ne esaltano la luminosità. Consigliata per accessori, cucineria e il rivestimento di superfici verticali, questa collezione non è raccomandata per sedute ed aree ad alto traffico.

Cipria is a leather with an extremely soft touch that is characterised by an original sparkling effect. The leather has been treated with highly innovative applications and processes that endow it with metallic luminescence. Suitable for light upholstery and vertical surfaces, these collection are not recommended for high traffic areas or seating upholstery or seating application.
