

SQUAMA COLLECTION

Squama presenta una superficie arricchita di piccoli dettagli ispirati all'universo animalier. Estremamente morbida al tatto e caratterizzata da un lieve effetto velour, Squama deriva da pelle Velluto, una collezione di pelli nubuck pieno fiore trattate con prodotti idro-oleorepellenti.

Squama presents an elegant scaly texture which is enhanced by a delicate velour effect typical of nubuck leather. Squama derives from Velluto, a pure aniline leather treated with water-resistant products.

SPECIFICHE TECNICHE / SPECIFICATIONS

Origine / Origin

Pelli fresche di origine europea, conciate e lavorate con processi sostenibili in rispetto dell'ambiente / *Raw hides of European origin, tanned and processed with sustainable processes in respect of the environment.*
