

TAIPAN COLLECTION

Ispirata alla pelle di serpente, Taipan presenta piccole squame sulla superficie. La stampa crea delicate sfumature tono su tono che danno profondità, esaltando l'effetto velluto tipico della pelle scamosciata.

Taipan is inspired by snake skin, characterised by small scales. Taipan creates delicate shadow effects that add deepness to the surface, enhancing the natural velvety texture of suede leather.

SPECIFICHE TECNICHE / SPECIFICATIONS

Origine / Origin

Pelli fresche di origine europea, conciate e lavorate con processi sostenibili in rispetto dell'ambiente / Raw hides of European origin, tanned and processed with sustainable processes in respect of the environment.
